Pet Policy

- At the Listel Hotel Whistler we have a pet charge of \$25 per night to cover additional cleaning costs.
- Maximum of 2 pets per room.
- Please ensure your pet/s are kept on a leash at all times when in public areas of the hotel and be mindful around other hotel guests.
- Due to health and safety there are areas of the hotel where pets may not be permitted. These include the breakfast room, restaurant, sauna areas, hot tub and the summer patio.
- We ask that your pet is not left unattended in your room during your stay. If you need to leave without your pet please inform the front desk. Also should you require a dog walker or sitter we would be more than happy to help arrange this for you.
- Should your pet have any accidents on hotel premises please ensure to clean up after him/her promptly.
- Please arrange a time with the front desk when you will be out of the room with your pet so we can arrange house-keeping service at a time that is convenient to you. Please be aware that housekeeping services will not be provided when the pet is in the room.
- The registered guest is responsible for all costs related to damage or mess caused by the pet and any compensation given to another hotel guest should the pet disturb other guests.
